

• NTools Foil Cart Masking Foil Cart 2-in-1

NTools Foil Cart is purposed for masking foil both rolled and packaged. Cart construction enables quick car body masking by a single person before painting or other works in garage. The lower part of cart is provided with holders for foil storage or dosage. The central part is provided with the bar for rolled foil installation. Cutter guide provided in the top ensures even and quick foil cutting.

NTools Foil Cart is provided with magnet that makes a foil cutter or knife always at hand. Large wheels ensure cart mobility in garage or place of work.

Benefits:

- Designed for rolled or packaged foil,
- Operation by 1 person,
- Quick and even foil cutting,
- Cutter or knife magnetic holder,
- Large and wide wheels that ensure mobility at place of work.
